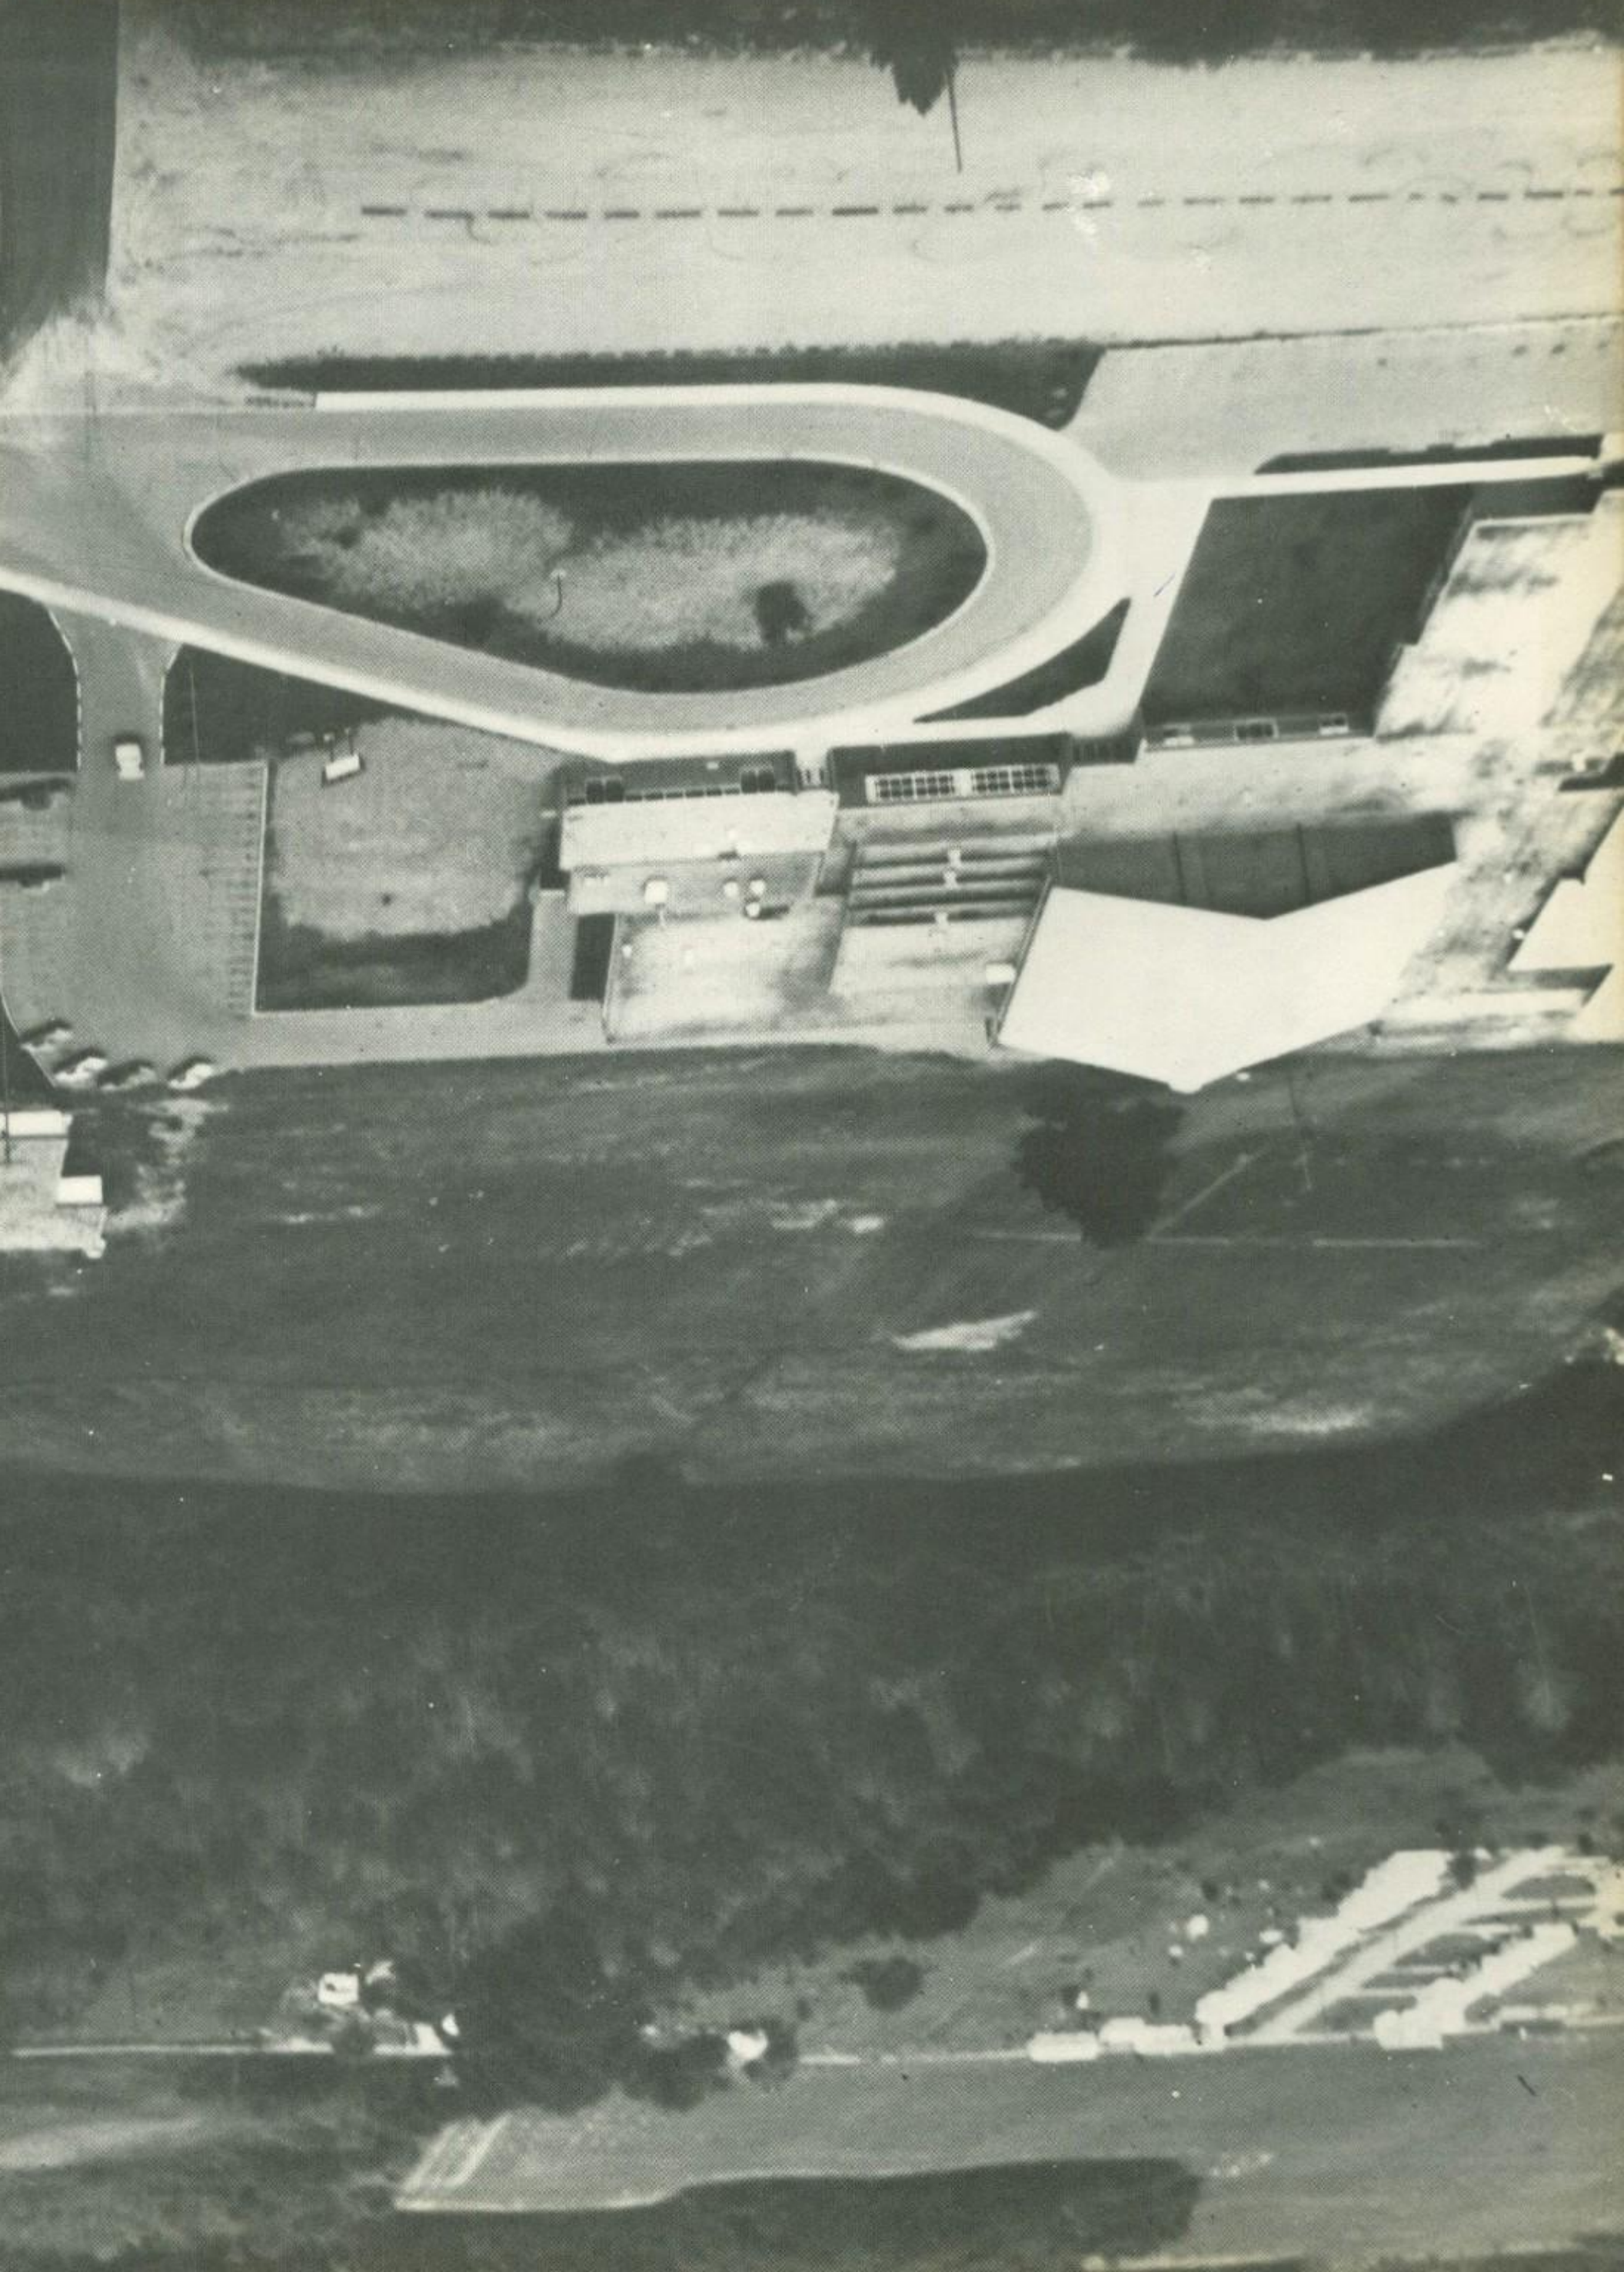
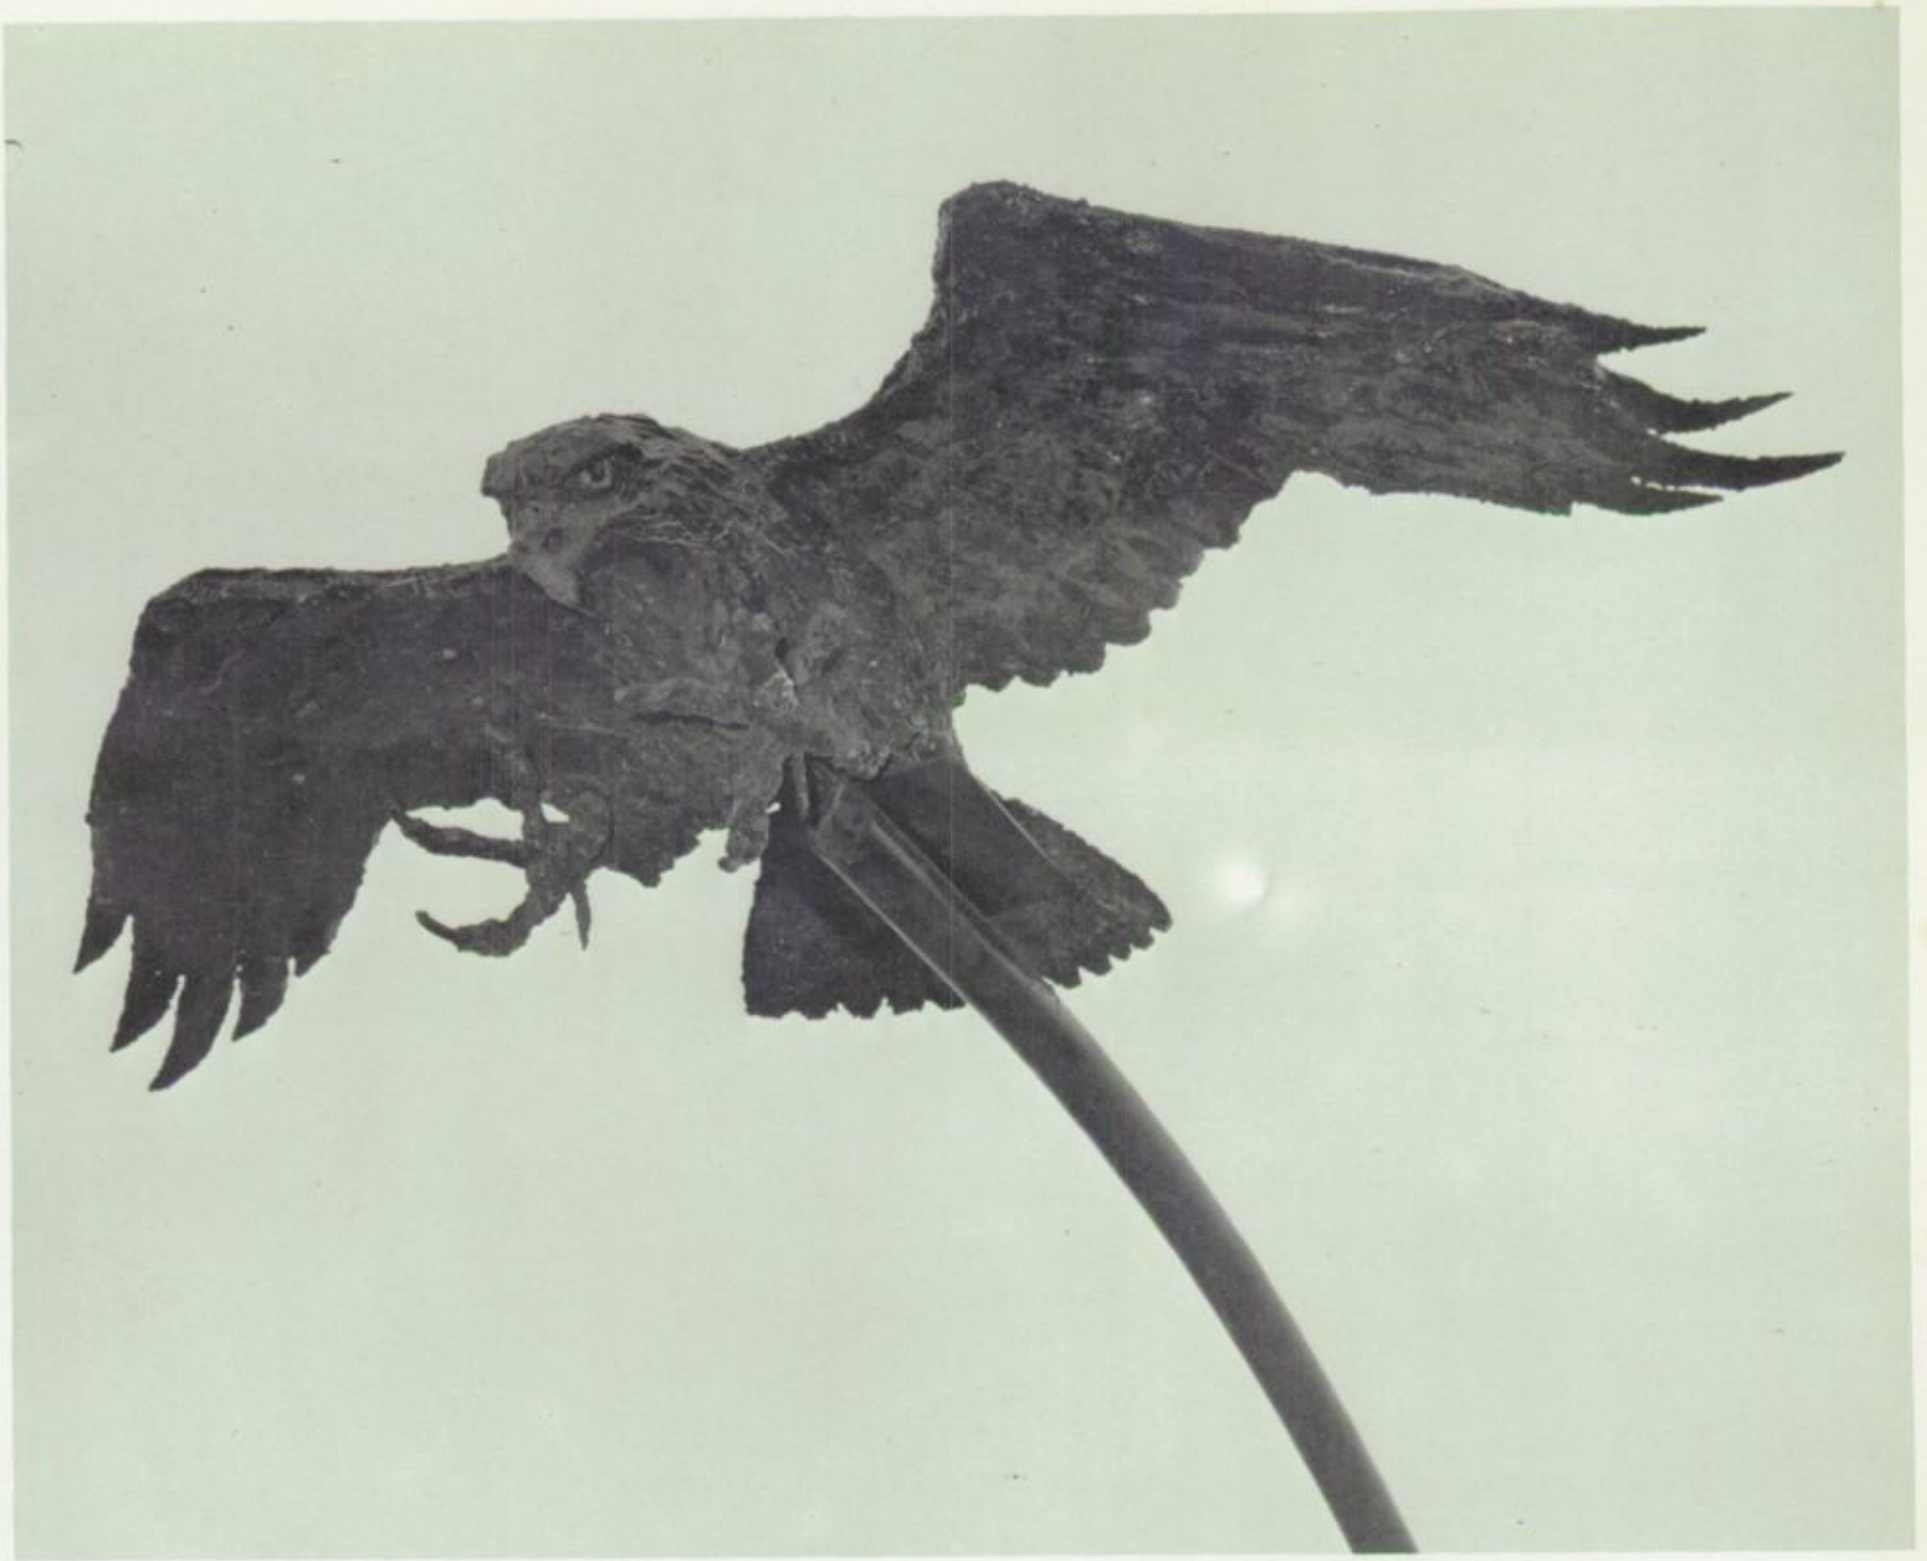
NINETEEN HUNDRED SIXTY-NINE

THE REVIEWER





1969 REVIEWER

VANDERCOOK LAKE HIGH SCHOOL

JACKSON, MICHIGAN

JAMES W. TOWNSEND, M.D.

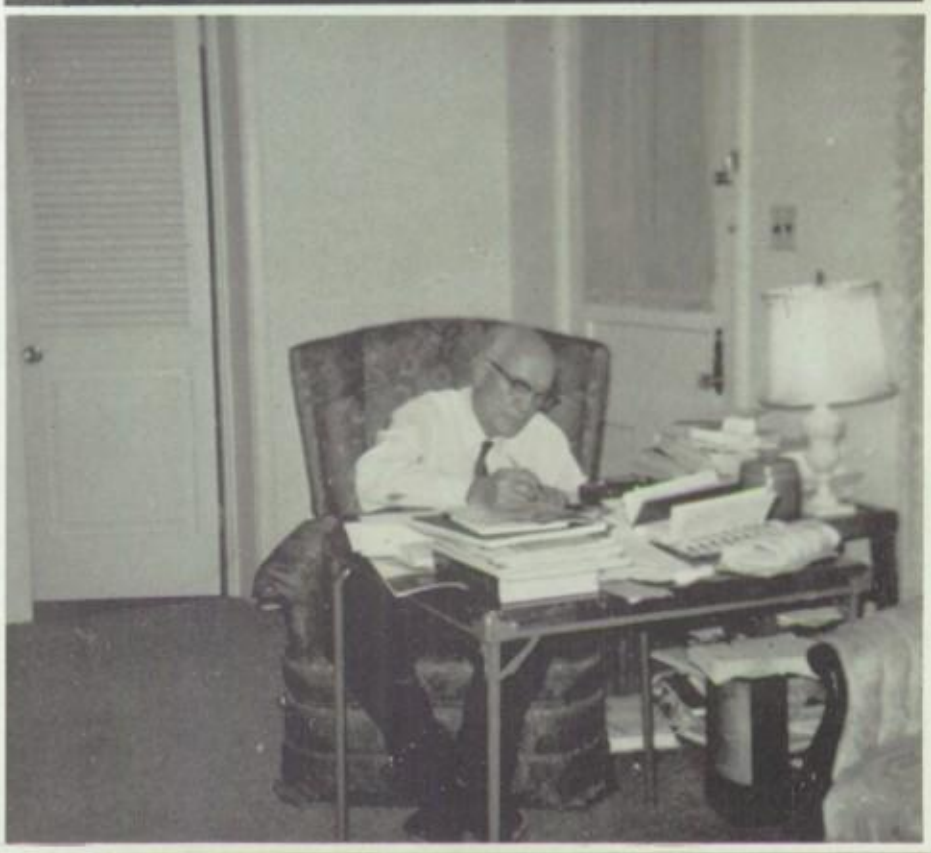
DEDICATION

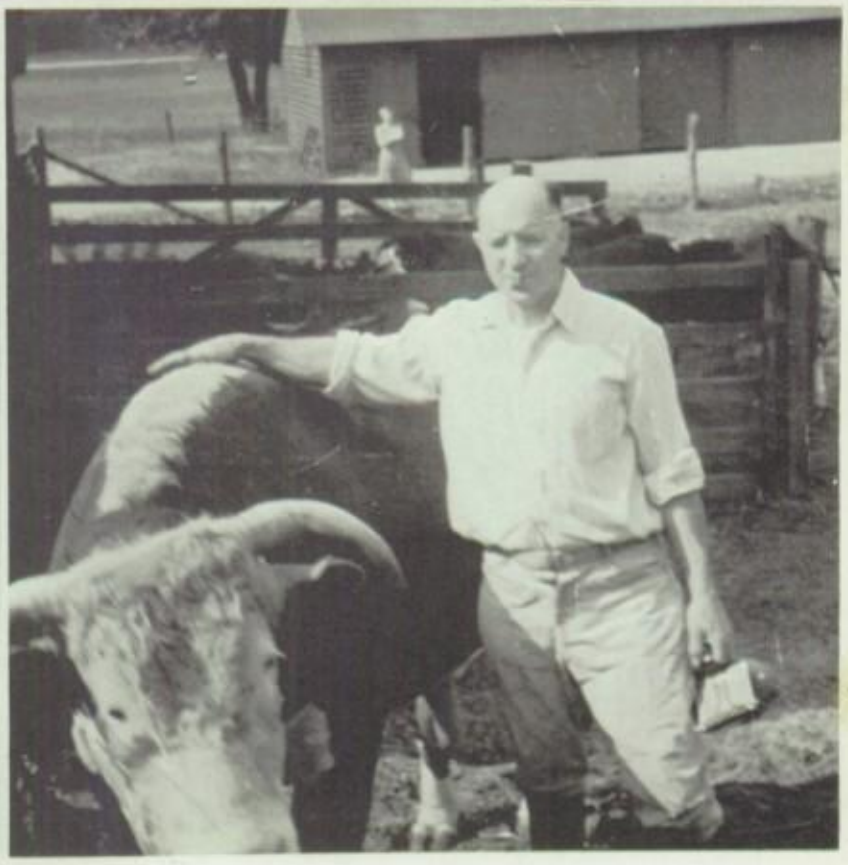
For more than twenty years Dr. Townsend served as a member of the Board of Education of the Vandercook Lake School System. Over twice that number of years he has maintained an office in Vandercook caring for its residents. For an undetermined number of years he administered physicals to Vandercook athletes free of charge.

Dr. Townsend has contributed his time and financial assistance to community and school sponsored projects including blood drives, immunization clinics, lighting of the athletic field and plots on the field, banquets for championship athletic teams, stage curtains, etc. - you name it and he has donated.

It is with sincere appreciation for his generous contributions through the years, and deep gratitude for his faith in the students of Vandercook schools, that we the Reviewer Staff proudly dedicate the 1969 Reviewer to Dr. James W. Townsend.

UPPER RIGHT: Vacationing in Florida with brother.
MIDDLE RIGHT: Doing paper work at home.
LOWER LEFT: Relaxing with grandson Claude Spencer Jr. and Family dog, "Pepper."
LOWER RIGHT: Enjoying farm.





THESE REFLECTIONS ARE NOW YOUR MEMORIES.

The Theme this year for the 1968-1969 Reviewer is "Reflections." During your past school year many things took place both good and bad. This yearbook is only reflecting some of those happenings.

I hope as you look through this book you'll remember those times whether they be good or bad because now everything is in the past and all you have left is the future.

Sincerely yours,

Cheryl Jonas

A TYPICAL DAY AT VANDY

What do you mean we're going to Cuba?

Mrs. Gordon raises the flag.

A brisk walk in the morning.

"Oh I forgot, this is dress code day."

Down the hall to learning.

Mr. Short's Health Class.

Mrs. Shipley's class hard at work.

Mrs. Latshaw's Home Ec. Class?

Out for a romp.

"Ouch! My finger's caught."

The pause that refreshes.

Our Spanish Fire Marshal.

The art of dish washing!

That's not funny Mr. Dunckel.

The Shop class studies electronics.

Mrs. Ghose's classes study other nationalities.

What do you mean there's only potatoes left!

"Talk to the Animals."

"Food, Glorious Food."

Not another Polish joke!

This is nursery school day.

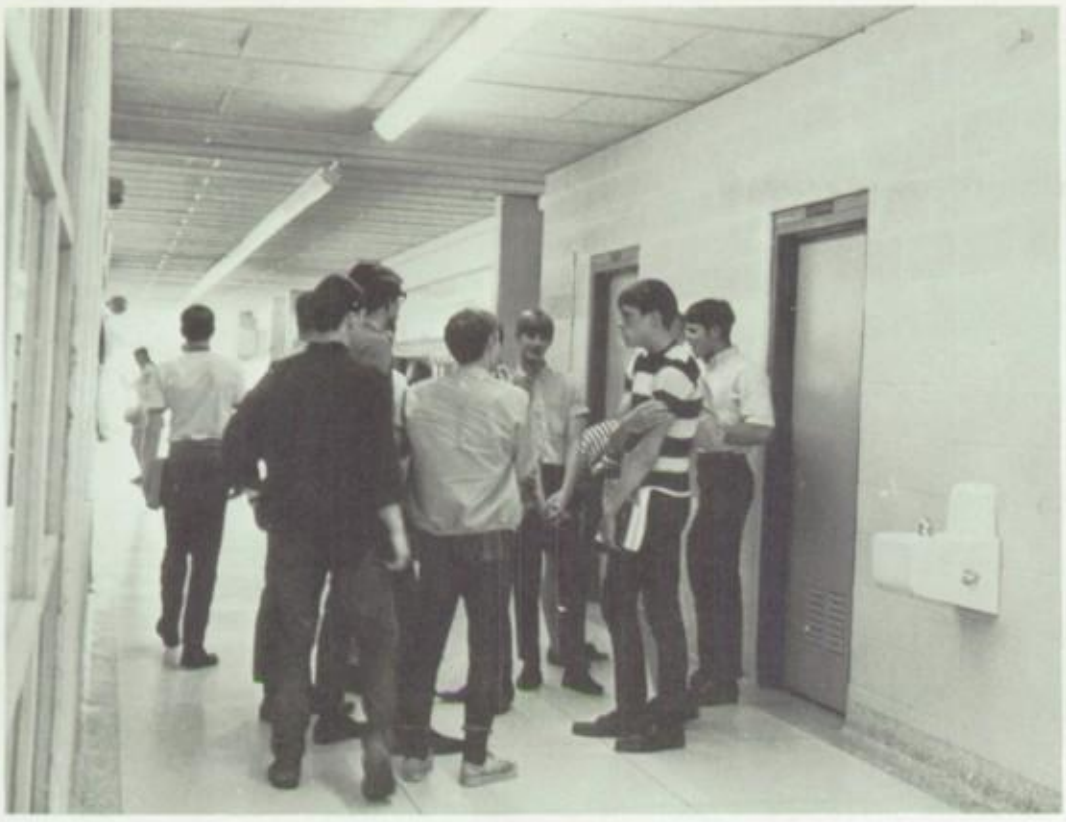
Memorize everything on the board class.

LEFT: Amazing, you're up to 10 words per minute.

BOTTOM: You're in the wrong place if you're waiting for a bus.

LEFT: Is that a fact?

BOTTOM: This is the way we blow our horns!



Last minute gossip.

I'll beat ya to the car!

Who stole the "Keep Off The Grass" sign?

Kenny lowers the flag.

Parting is such sweet sorrow!

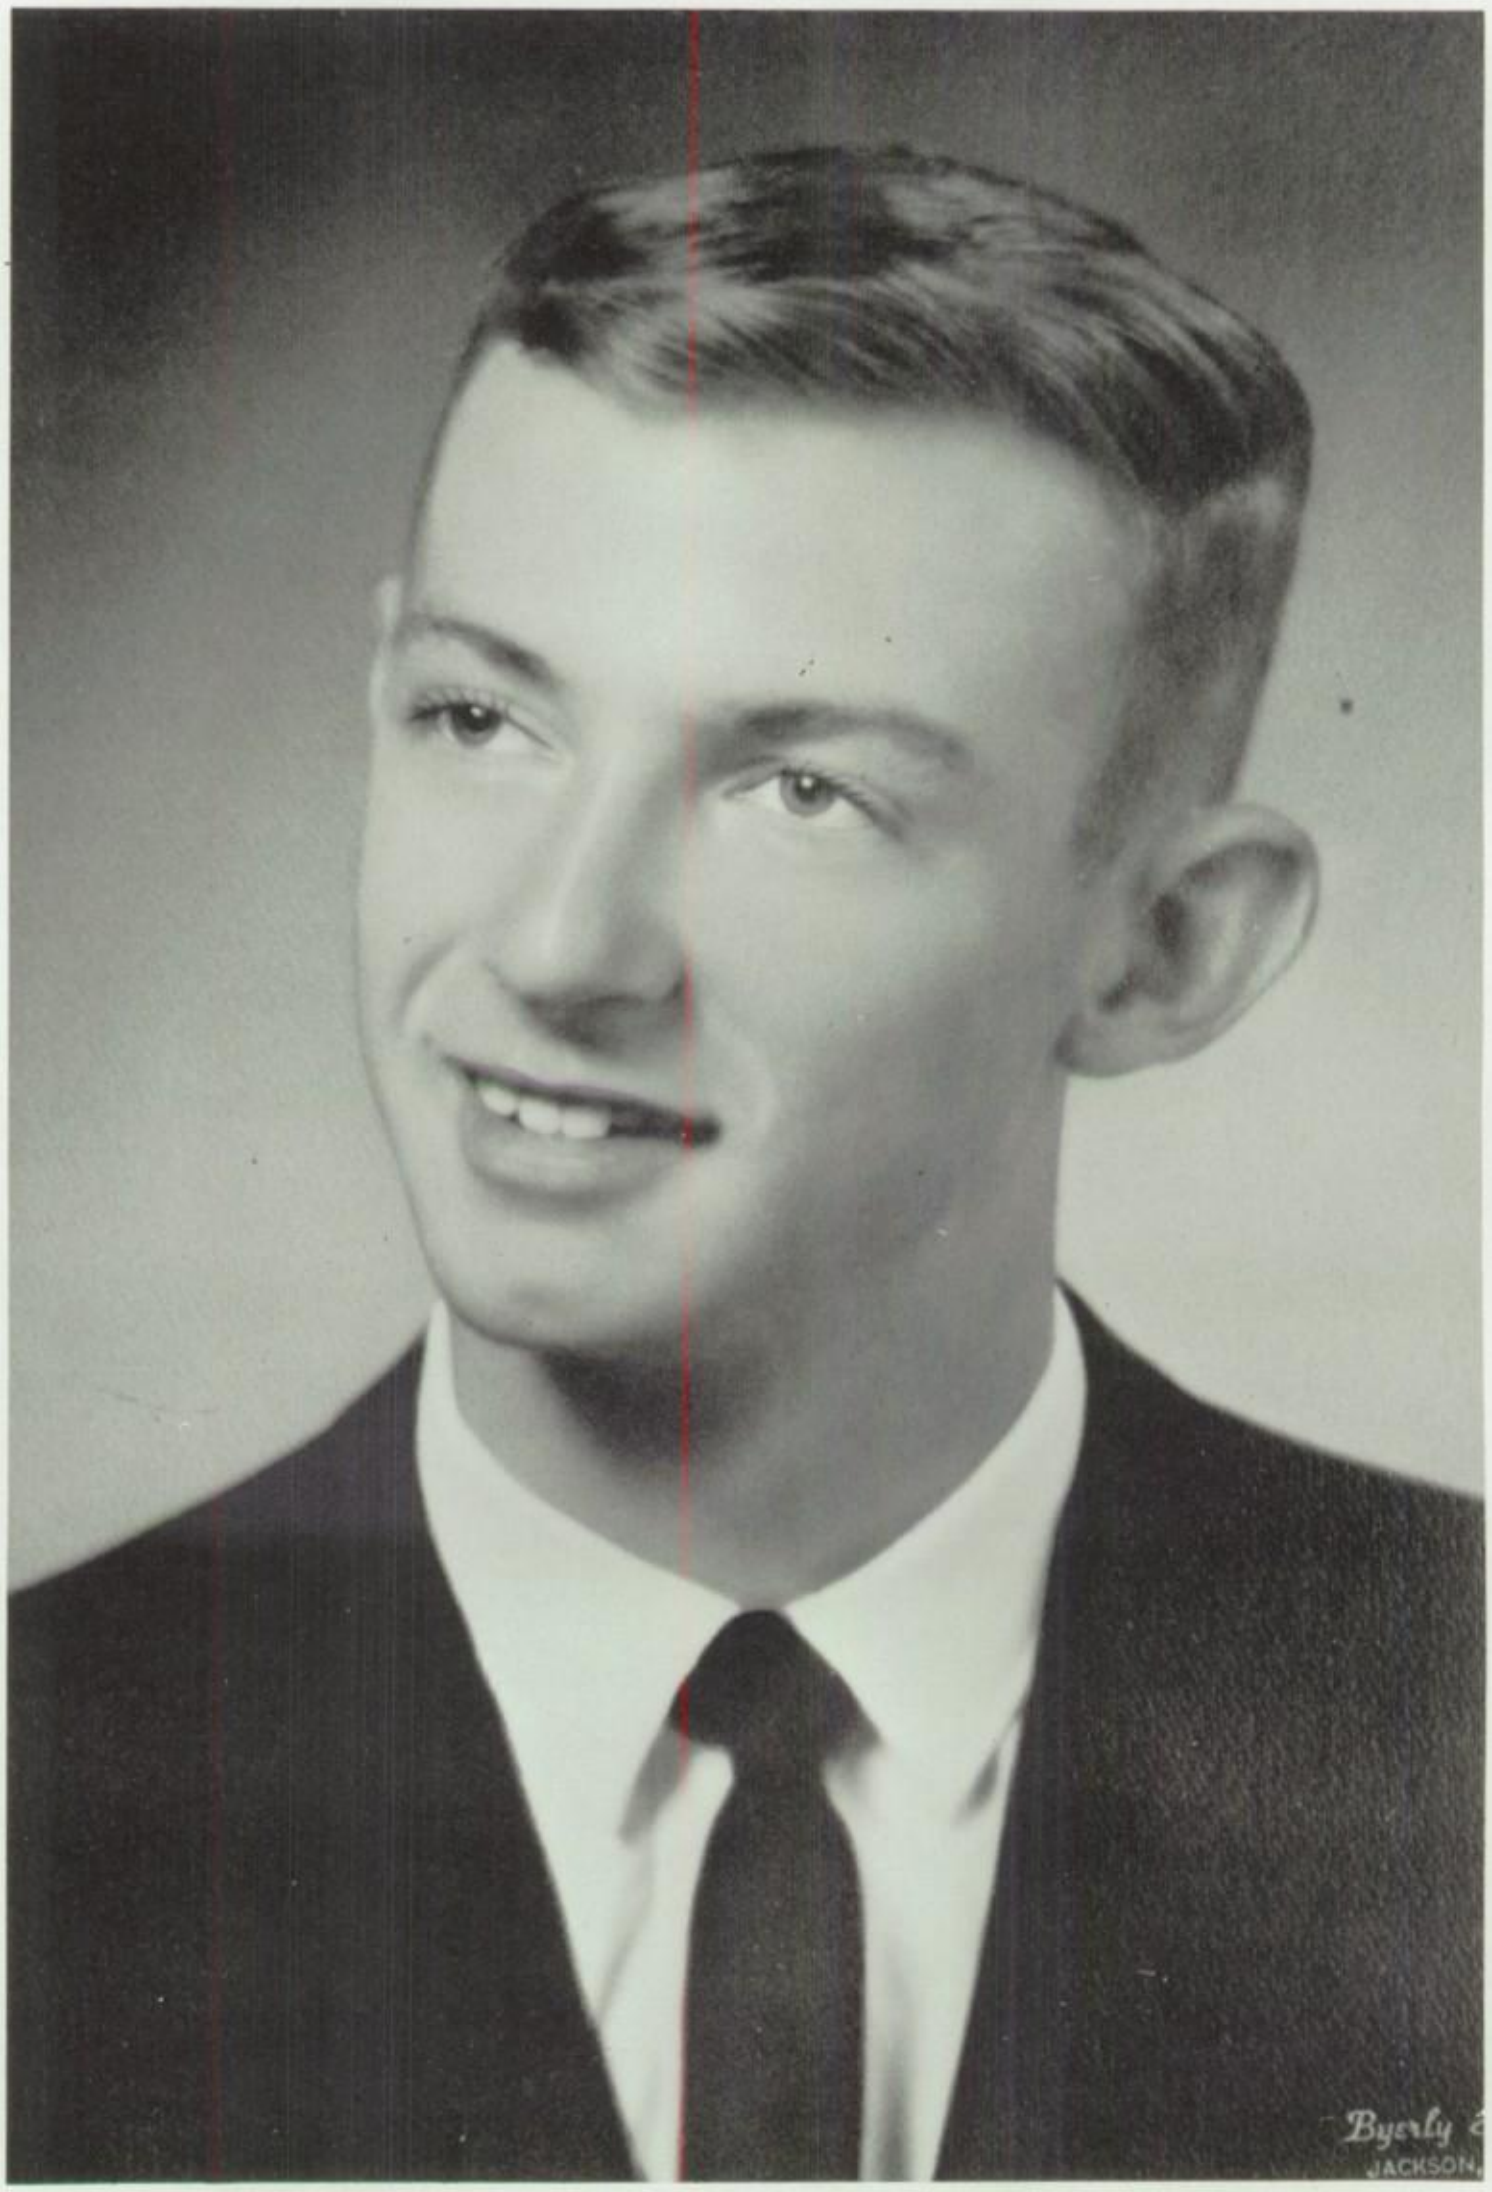
IN MEMORIAM

DWIGHT D. EISENHOWER

October 14, 1890 - March 28, 1969

IN MEMORIAM



GARY GROW

TO THE MEMORY
OF

GARY GROW

Gary Grow, a graduate of the Class of 1964 at Vandercook was killed in Vietnam in March of 1969. He will always be remembered as a Vandercook soldier that made the supreme sacrifice for his country.

The fighting man shall from the sun
    Take warmth, and life from the glowing earth;
Speed with the light-foot winds to run,
    And with the trees to newer birth;
And find, when fighting shall be done,
    Great rest, and fullness after dearth.

As Michigan grows and prospers, life grows better for each generation. Consumers Power is growing, too, as it supplies ever greater amounts of electricity and natural gas to industry and people. Growth brings challenge. We must find new and better ways to perform our services. Nearly 11,000 men and women of Consumers Power enjoy meeting the challenge every day.
Come grow with us!

FROM
THE CLASS OF 1969.

ACKNOWLEDGEMENT

As Editor of the 1969 Reviewer I would like to take this opportunity to especially thank Mrs. Paciorek and Mrs. Hawley for their faithful work and encouragement in getting the Reviewer finished. I'd also like to thank Jim Boorom for his work in the photography of this yearbook. Thanks also goes to Mr. Kummerow for his time and effort in putting out this book.

Without the help, encouragement, and patience of these four people, the work on the 1968-1969 Reviewer would not have begun.
